CITY ANNOUNCES CHANGE IN LINE-UP FOR SUMMER SERIES

La Porte, TX—The City of La Porte announces changes to the lineup for the 2010 summer concert series for the July 16 and August 6 performances. The free series, which consists of six concerts throughout the summer, is being held at the Five Points Town Plaza in downtown La Porte.

The Gerald Highburger Orchestra, who was originally scheduled to perform on July 16, will not be performing. In their place will be the pop band Spain Coloured Orange, a Houston band with a large following. John Garr and The Hopeful, originally scheduled to play on August 6, will be unable to play because of circumstances beyond their control. The City is still seeking a replacement band for the August 6 concert, and will keep the public informed as they progress.

The next concert in the series is the Fourth of July concert featuring Shake Russell and special performances by Sonny the Bird Man. That concert will be on Sunday, July 4 from 4 – 9 p.m. Five Points Town Plaza is located at 201 S. Broadway Street at the corner of Broadway and Main streets in downtown La Porte. Vendors will be available at the Plaza, and patrons are welcome to bring their picnic blankets and lawn chairs. Parking will be available at the La Porte Community Church parking lot, 200 South 1st Street. There will be no street closures for the concert series, so parking will also be available on Main Street and on Broadway.
