The Arts Alliance Begins “Directors Series” for Monthly Movie Nights

We see by the way attendance has been growing that others in the community enjoy great movies, just as we do! **Movie Night at TAACCL** continues to grow and we’re introducing a new series highlighting the work of some of Hollywood’s most legendary film directors for our next showing.

What: Movie Night at The Arts Alliance Center at Clear Lake
Where: TAACCL, located at 2000 NASA Pkwy, Nassau Bay. 281-335-7777.
When: Thursday, Sept. 23, 6:30 pm. Popcorn and drinks available for \$1. Admission is free, but a \$2 donation is greatly appreciated.

WHAT’S THE FLICK? We’re choosing a movie about the life and legendary career of iconic film director John Ford. The movie is entitled “Directed by John Ford,” by Peter Bogdanovich. The film includes vintage interviews with John Wayne, Henry Fonda and James Stewart and is mixed with newer interviews with Martin Scorsese, Steven Spielberg and Clint Eastwood, among others.

Please join us for a fascinating night at the movies with us!
